

Robin Killeen

Senior Consultant

Based in Vancouver, BC, Canada

Phone: 1-604-374-3884

Email: robin.killeen@avantage.com

With over 28 years of experience applying technology solutions in several different industries, my expertise includes IT roadmaps and strategic alignment, IT Operations, and security. My focus is on managing, securing and enhancing the people and the platforms that deliver the critical applications of today's business.

Having worked in many sectors as a consultant, an IT executive, and a trainer for the SANS Institute gives me a supportive perspective on solutions that span from building the strategic roadmap for board approval to implementing and operating the secured creative solution to support the goals of the company.

Professional Skills

Guidance and support of senior leaders in overall IT operations and the development of the people, process, and technology.

Develop IT strategy and associated roadmaps to align the technology with the direction of the business.

Improving IT operations with increased visibility, resiliency, and availability of critical systems.
