

Vera Tong

Maximo Consultant

Based in Seattle, Washington, USA

Phone: 1.206.669.5786

Email: vera.tong@avantage.com

With over 15 years of experience in the Maximo industry my expertise includes gathering and analyzing business requirements, business and operational gap analysis, developing strategic road-maps as well as solution design and implementation. My focus is to provide professional Maximo solutions for businesses, with the best value, for the available budget.

My in-depth Maximo functional and technical knowledge has allowed me to provide professional level service in various aspects. With a strong background in the public and private sector, I am able to execute tactical and strategic plans for large corporations. I directly interface with management, business stakeholders and technical experts to ensure approvals, compliance and business objectives are achieved with an acceptable level of risk.

Select Accomplishments

Enables and implements features in Maximo to business and provides recommendations to ensure the on-going quality of the newly implemented features.

Assesses the use of Maximo by taking the holistic approach to identify the gaps between Maximo processes and gaps between Maximo and Business. And then taking Agile approach the close the gaps.
